The Ark Safety Difference

Work Safely with Us!

We aim to offer all our customers a comprehensive range of quality PPE and workwear solutions at competitive prices backed up with profesional customer care, expert product and regulatory knowledge and after sales service.

Range: We offer thousands of quality PPE and workwear products. We represent many of the world’s leading brands of PPE and workwear in the Irish market.

Service: We offer a personalised service designed to ensure that you get exactly the products that you need, when you need them.

Pricing: Our prices are always competitive and designed to offer our customers value for money.

Logistics: All orders received before 4pm are dispatched for next day delivery from our modern distribution centre in Airways Industrial Estate, Santry. We offer 95% stock availability on stock items.

Product and regulatory knowledge: Our expert team offers unparalleled product and regulatory knowledge. The team is available to answer any questions that you might have in respect of safety policy, safety regulations and safety solutions.

Logo service: We offer a full garment logo service in both print and embroidery.

Site Survey: We can organise and manage site surveys to better determine your detailed safety requirements.

Training: Together with our supplier partners, we can tailor training programmed to ensure that your staff is completely up to date on the correct use of their PPE.

We look forward to you working safely with us!
