

## Hawk

### Winter bomber jacket with detachable sleeves

027AA2PBD

The Hawk pilot jacket is the perfect winter jacket. Its removable fur lining is comfortably warm. The knitted wind cuffs at the sleeve ends provide extra protection against the cutting wind. On warmer days you can easily remove the lining, as well as the fur collar and sleeves. Thanks to the many practical pockets you can fit your tools, pen, phone, and badge thanks to a handy loop.
